

STAFF PENSION SCHEME

STAFF PENSION SCHEME

The Association participates in the Scottish Housing Associations Defined Benefit Pension Scheme (The Scheme) where retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating organisations taken as a whole. The Association accounts for this scheme as a defined benefit pension scheme in accordance with FRS 102.

The Scheme is a multi-employer defined benefit scheme.

The administering authority has responsibility for the management of the Fund. As most of the Fund's investments are equity based, there is an inherent risk of volatility in the investment market having a significant effect on the value of the fund's assets. In order to mitigate this risk, the Fund holds a diverse investment portfolio with a range of investment managers.

The Association also participates in the Scottish Housing Associations Defined Contribution scheme .
